Hosting Upgrade Appeal

Dear Visitor. The Tap has become increasingly busy over the last few weeks with many more visitors and sign ups. It's currently creaking and slowing. We need a hosting account upgrade to help cope with the increased activity and keep this free blog online. In this age of great change The Tap is a valuable independent resource where we can come together and share information the controlling parasites would rather we didn't have. It would be sad to lose it but it costs to keep it going and free to use. If any of you can help donate even a small amount towards the hosting upgrade that would be a big help. Your small donation makes a huge difference. Thank you in advance. [Click here to donate](#)

OPERATION MOUNTAIN RELIEF. AND THEN: WHO IS BEHIND THIS?

ELSA
NOV 24

Hurricane Helene. Catastrophe. Enormous suffering. An urgent need for care, for help. An outpouring of help, and the call for more help, from people who are aware and involved.

Also, the enormous indifference, enormous uncaring of the mainstream. Bulldozers bulldozing where people – dead, unburied – are deep under the debris.

Right now, snow and 60 mile an hour winds. People in tents. A mayday call for heaters. This in one of the wealthiest countries in the world.

Here is the story:

From the beginning of the catastrophe, 2 presentations, utterly divergent:

the mainstream which has reported very little, as if there was very little to report;

and the truth-centered media, the we-the-people media, which has reported massive suffering, at least 10,000 dead, not the mainstream reports of about 200; which reported toxic mud so deadly that cadaver dogs were dying within days; and which now lets us know of people in tents with snow and 60 mile an hour winds. On and on.

The first thing: to do what one can.

Also urgent: to look at, **WHO IS BEHIND THIS.**

Yes, there's FEMA not giving help. Yes, there's the land grab, so very expected.

Is that it?

If we go just one step further . . .

I come to the Predators – the Global Predators to use the term coined by Peter and Ginger Breggin, the Cabal to use another term. They are not part of We the People.

How do the Predators see us? What is their attitude to us? Look at the aftermath of hurricane Helene. It's obvious. Look at Maui – both the occurrence and the aftermath. Look at so very much. It's so very obvious.

In fact, look at so much where the evidence indicates that what happened was not a natural occurrence. Look and you will get a very good idea of the attitude to us of the forces against us.
